

Cabin fever fashion

Daile Pepper

July 27, 2010

Warm up your winter with some cosy new fashion purchases - perfect for enjoying a glass of red by the fire.

It's all about luxury, warm colours and cosy textures to have you looking charming yet sophisticated.

Stylist Rebecca Pattison said she loved pastels, furs and military trends and mixed budget items with designer pieces to style this shoot.

Advertisement: Story continues below

"It's about texture, layers, layers, layers," she said.

"And accessories, the more the better."

This applied for both blokes and the girls.

The pieces in these shots, taken at The Cabin bar in Mt Hawthorn, are available to buy in Perth now.
